Re: In re: Methyl-Tertiary Butyl Ether (MTBE) Products Liability Litigation
MDL No. 1358, Master File C.A. No. 1:00-1898 (SAS)

City of New York v. Amerada Hess Corp., et al. No. 04-CV-3417

Dear Judge Scheindlin:

As your honor is aware, the parties have agreed to Monday, January 19, 2009 as the deadline to submit all motions for summary judgment not requiring expert evidence. We are currently involved in negotiations with Plaintiff's counsel to seek a voluntary dismissal under Federal Rule of Civil Procedure 41(a)(1)(A)(i) with respect to all claims asserted against Ultramar Ltd. and Ultramar Energy Inc. ("UEI"). We are optimistic that these negotiations will ultimately be successful. Therefore, we would like to avoid burdening the Court with what will in all likelihood be an unnecessary motion for summary judgment on behalf of these two defendants. Plaintiff's counsel has agreed to extend the deadline to submit motions for summary judgment on behalf of these defendants to April 20, 2009 in order to continue the ongoing negotiations. We have accordingly enclosed a proposed order seeking the Court's approval of our agreement to extend this deadline with respect to these two defendants only. We are hopeful that this short extension will allow the parties time to reach an agreement for the voluntary dismissal of these defendants, and avoid the need to file a summary judgment motion on their behalf.

Respectfully submitted,

Bracewell & Giuliani LLP

Andrew M. Taylor
